Other comments	<ul style="list-style-type: none"> Does school send a message to parents prior to these sessions so we can talk to our children about what they will/have learnt so we can prepare/reinforce? Contents need to be age appropriate Pregnancy and financial side of it and the hardships that families face during this process and after birth Learning should start in secondary they are too young at this age I prefer to teach my child at home about these issues 		
Actions	<ul style="list-style-type: none"> Consider sending a MME when RSE is to be taught so parents are aware in advance so if they choose they can have discussions at home.
