BIG QUESTION

HOME

Do we always have to do what our grown-ups tell us?

STICKY KNOWLEDGE

Rules help us to be:

- Safe and secure
- Instil values and morals
- Develop healthy habits
- Promote social skills
- Prepare us for the real world

An example for each:

- Safe – don't open the door to strangers
- Values – tell the truth
- Health – brush your teeth
- Social skills – share
- Prepare – do your chores to earn pocket money

Rules at school may differ to home.
