

Music Curriculum Intent

“We are Proud”

The primary intent of our music curriculum is to develop an understanding and love of music which pupils can carry with them for the rest of their lives. We believe that through our music curriculum the children will learn vital transferrable skills such as team work, leadership, creative thinking, decision making and being able to perform all of which have a wider application in life.

To this aim, our music curriculum is designed to:

- Develop successful, aspirational life-long learners who strive to make progress and achieve their best.
- Ensure pupils thrive academically by developing the children’s concentration, memory, self-reliance, confidence, self-discipline and self-motivation, creativity and teamwork by singing and playing together.
- Support all learners through adaptive teaching, ensuring lessons are inclusive and accessible for every child.
- Introduce children to a variety of genres of music from around the world and across generations, recognising the multicultural nature of our society and using music as a medium to explore and appreciate British and other cultures.
- Nurture confident individuals, now and in the future, by allowing children to develop their skills, knowledge and understanding, to enable them to become confident performers, composers, listeners and appraisers.
- Encourage pupils to become respectful, kind and active adults who are compassionate, open-minded, supportive and accepting of others.
- Create responsible citizens who make a positive contribution to their school, their community and the wider world through core values.
- Enable pupils to experience a sense of achievement and pride at being able to play a musical instrument.
- Show pupils that music has health benefits and can support the emotional health and well-being of pupils by giving them a chance to take part and achieve.
- Shape active and creative minds by promoting creativity and self-expression, encouraging a passion for music, in which pupils are able to appreciate and develop a lifelong love of music.
- Give pupils the courage to act on their beliefs, showing grit, determination, independence and the ability to overcome challenges with resilience.

Pride will be displayed in all we strive to achieve
Personal development is at the heart of our curriculum
We prepare for possibilities, hopes and dreams
Success for today, ready for tomorrow.
