STICKY KNOWLEDGE

A **motif** is a decorative image or design, especially one that makes a repeating pattern.

To create a motif, keep re-arranging your pattern in different ways.

To create a repeating pattern, keep printing the motif again and again.

FAMOUS PERSON

HAZEM TAHA HUSSEIN
BORN IN CAIRO, 1961

Hazem Taha Hussein is famous for the special technique he uses in creating his artwork. He overlays Islamic patterns to hide the mages and figures he draws beneath.
