

YEAR 4 ART & DESIGN

DRAWING

KEY VOCABULARY

Shading: the use of mark-making to show shadow or degrees of light and dark in a drawing.

Hatching: a technique to create tone or shade by drawing closely spaced parallel lines.

Cross hatching: two layers of hatching at right angles to create a mesh-like pattern.

Stippling: using dots to create areas of light and shadow.

Scribbling: a drawing composed of random abstract lines.

Circling: drawing circles to beckon the viewer to look into the drawing.

Blending: slightly mixing two different colours to give a smooth transition from one colour to the other.

STICKY KNOWLEDGE

Drawing techniques include shading, hatching, cross-hatching, stippling, scribbling, circling and blending.

FAMOUS PERSON

DIEGO FAZIO

Diego Fazio is an Italian artist who was born in 1989. He comes from the town of Lamezia.

His art work is famous for his extreme precision and attention to detail, making his drawings look like a photo.
