

Create Your Own Indoor Game

Have a go at creating your own game, to play indoors. In as much detail so it's easy to understand, write down the equipment needed, and the rules of the game.

After you have created your game, try it out for yourself, photos and videos of you playing it, either on your own or as a family, would be great!

What's the name of the game?

What equipment do you need? (e.g. ball, socks, bucket)	
What are the rules? (e.g. or two players, First to score five)
