

MY BODY – YEAR 4

Developing a healthy, safer lifestyle

STICKY KNOWLEDGE

Peer on peer abuse may happen between children of a similar age and may be harmful to those who display it and experience it.

Touching and attempting to view private body parts through clothes (or when undressed) which makes a person feel uncomfortable, is not acceptable.

Touching is appropriate in some situations
(a visit to the doctor).

Touching is inappropriate in some situations
(when you don't want it to happen).

Report concerns to a parent, responsible adult or teacher and keep trying until they do something about it.
