

Developing a healthy, safer lifestyle

VOCABULARY

Social media platforms: an app or website which allows people to connect with each other

PEGI rating: these tell you what age the game is suitable for

Restrictions: these limit who can use or play something

Advertising: focusing the public's attention onto a product

Online content: something that can only be accessed when you are on a computer accessing the internet

ONLINE RELATIONSHIPS – YEAR 4

STICKY KNOWLEDGE

People sometimes behave differently online, including pretending to be someone they are not.

Social media and computer games are age restricted because of content or targeted advertising.

As digital citizens we have a responsibility to **THINK**: only publish content which is True, Helpful, Necessary and Kind.

Always tell parents or teachers if you are concerned or upset by any online contact.
