

World Poverty - Africa

HOW ECONOMIC CHOICES AFFECT INDIVIDUALS, COMMUNITIES AND THE ENVIRONMENT – YEAR 6

**Preparing to become a responsible
future citizen**

STICKY KNOWLEDGE

Poverty is going without the necessities of life.

**Children living in poverty miss out on the things most children take for granted:
food, decent clothing, going to school, medicine.**

All children in the world have the basic human right to have their needs met.

There are others in the world who do not have the opportunities they have.

**Oxfam is a British-founded confederation of 21 charitable organisations
which focuses on the eradication of global poverty.
Oxfam was founded in 1942 by Cecil Jackson-Cole.**
