

# What Is Cyberbullying?

## Section 1

Look at the examples and decide which show cyberbullying and which do not. Use the Handy Hints Sheet to help if you need to.

Josh keeps receiving texts from an unknown number. They always say really mean things about his brother. He has texted them back asking them to stop but they haven't.

Clues that this **is** cyberbullying:

---

---

Clues that this **is not** cyberbullying:

---

---

Someone has left a comment on Akeem's video saying, "It's a shame his voice is so annoying or this would be good". He is upset about it.
