

**LI – I can conduct a survey and
record answers using a tally**

**Why do we take
surveys?**

What is a tally?

A tally chart lets us record numbers using little lines

1		6	
2		7	
3		8	
4		9	
5	 	10	

**Look at what happens with groups of 5.
What would 15 look like?**

Let's look at how we can fill in the missing data...

Colour Survey "What's your favourite colour?"		
Red		
Green		5
Blue		11
Yellow
