STICKY KNOWLEDGE

A miracle is an extraordinary event that cannot be explained by science that Christians believe is caused by God.
Miracles are performed by Jesus and can be found in The New Testament.

Christians believe Jesus is God in a human body and has the power of god to do anything e.g. perform miracles.

The Blind Man, The Paralysed Man, Loaves and Fishes, Water into Wine, Jesus Walks on Water, Crossing the Red Sea, Bringing Lazarus Back from the Dead are all miracle stories.

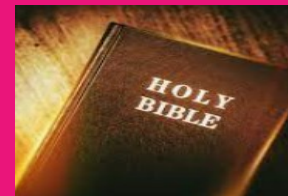

A Sikh bible is called the Guru Granth Sahib.

Waris Ahluwalia, after being denied access to board a flight without removing his turban, approached the situation with kindness, understanding, and education. He stated: They did not know. I cannot blame them for that, but ignorance and fear is the flag humans carry, and we have to be vigilant to fight that.
