

Thank you for your continued support this term. It was lovely to see so many of you at our Easter Celebration on Tuesday. Congratulations to our Easter Competition winners - Laney, Finley, Oliver, Ally, Jaxon, Ella, Kaitlyn, Kaia and Oliver. The standards were very high this year and clearly a lot of effort was put into this project. Thank you to LASHES for the Easter Eggs they donated for our prizes.

## Staffing

# GOODBYE

We will be saying a temporary farewell to Miss Peck today as she begins her maternity leave. We wish her all the best as she spends this special time with her family. Ms Elliott will return to class to cover this absence. Mrs Blockley will teach Class 8 on a Monday, Tuesday and Wednesday and Ms Elliott on a Thursday and Friday.

## PE

PE will be outside where possible this term so please ensure children have on the appropriate PE uniform (navy or black unbranded sweatshirt/joggers if it is cooler and navy or black PE shorts and white polo shirt/T shirt in warmer weather).

PE days are as follows:

**Year 3 Tuesday, Wednesday**

**Year 4 Monday, Friday**

**Year 5 Tuesday, Thursday**

**Year 6 Wednesday, Thursday (the Thursday session will not take place until after SATs so uniform until then)**

Children who are attending after school sports clubs will also need to come in PE kits on those days.

## Communication

Please ensure school are informed if you change your mobile number. Also, if you are not receiving texts, please speak to the office as this is our main form of communication. It was clear after year 5's trip to London that 3 parents were not receiving messages. Remember to also check Marvellous Me for class messages, the calendar on the school website as well as our Facebook page.

## SATs

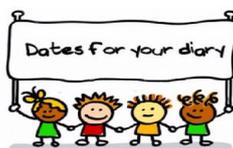

Year 6 have been working very hard and are almost ready for their SATs (Tuesday 9<sup>th</sup> – Friday 12<sup>th</sup> May). Please encourage a small amount of daily revision during the Easter break. It has been suggested to the children – 10 hours sleep, 13.5 hours fun and 30 minutes work. Every little helps!

All pupils, try to read for 10 minutes every day.

**Reading is good for you because it improves your focus, memory, empathy, and communication skills. It can reduce stress, improve your mental health, and help you live longer. Reading also allows you to learn new things to help you succeed in your work and relationships.**

We will continue to host numerous events in the Summer term in order to benefit our pupils, enrich the curriculum and continue to strengthen links with our parents/carers and school community. Please check our school website where you can also find the calendar and newsletters.

Date	Event
<b>Week beginning 17.04.2023</b>
